To Whom It May Concern:

This letter is a request for waiver of the Form 471 filing deadline for Funding Year 2002-2003. Below is an account of the steps taken and the circumstances which have led to this request. This request is being filed on behalf of Pratt Unified School District 382, Billed Entity 137896, Form 471 Application Number 315157.

Pratt USD 382 posted a Form 470 application on November 21, 2001. The Form 470 application number is 290010000382173. This 470 application listed the requested services as Telecommunications – WAN services connecting 5 sites along with Internet services to be delivered via 5 frame relay lines. The Allowable Contract Date was December 19, 2001. During this 28-day waiting period, the decision was made to discontinue the 5 frame relay connections and commence using one T-1 frame relay connection. This decision was made to first, save Pratt USD 382 money and second, reduce the requested funding amount through Erate. Due to this change of service, a second Form 470 was required to be filed. This was done to match the requested services and discounts to those being received. The second Form 470 was filed on December 18, 2001. The Form 470 application number is 800470000405049. The Allowable Contract Date for this Form 470 application became January 15, 2002. The Form 471 was completed and successfully submitted online on January 16, 2002. Once the Form 471 was submitted online, Block 6 was printed and presented to be signed with an authorizing person's signature. This signature was to be Pratt USD 382 Superintendent of Schools. This block was printed and taken to the Central Office for that signature and to await submission. All steps were completed on the afternoon of January 16, 2002. The Superintendent was out of the office that afternoon. He was in attendance at a conference on the morning of January 15, 2002 and did not return to the office until the morning of January 18, 2002. The superintendent signed the certification block on the morning of January 18, 2002 and placed it in the mail in an appropriate and timely manner. All applications with confirmation of dates accompany this memo.
